

# Preventing Diversion of Controlled Substances in Long-term Care

August 13, 2019

9:00 a.m. – 12:30 p.m.

(Registration 8:30 a.m. – 9:00 a.m.)

Wilder Center Auditorium

451 Lexington Pkwy N

St. Paul, MN 55104

This program has been designed to meet the criteria for 3.25 Administrator Clock Hours and 3.90 Nursing Contact Hours. It is the responsibility of each participant to determine if the content meets their continuing education requirements.

This course is designed to provide administrators and nursing leadership with an evidence-based overview of recommendations and best practices that can be implemented to prevent controlled substance diversion in their organizations.

The seminar introduces a diversion prevention pathway recently developed specifically for long-term care by a diverse group of experts across the state of Minnesota. The pathway provides common sense interventions for each step in the controlled substance life cycle, from prescription to destruction and documentation – and includes education and investigation toolkits to simplify implementation.

Program Learning Outcomes:

By the end of the seminar, learners will:

1. Be able to verbalize trends from controlled substance investigations across Minnesota and understand areas of risk in long-term care.
2. Assess interventions in place at their homes against the new Controlled Substance Diversion Prevention pathway recommendations.
3. Identify “next steps” for reviewing the pathway with their team and implementing targeted interventions.

To register, please e-mail Bev Milotzky at [bev.milotzky@state.mn.us](mailto:bev.milotzky@state.mn.us). When registering, please **indicate the name of your facility, include the number of participants** who will be attending, and **include the names and titles of the participants**. You will receive an e-mail confirmation that your registration was received.

Funding for this program was made possible by the **Minnesota Civil Money Penalty Reinvestment Program**

# Schedule

8:30 – 9:00 a.m.	Registration
9:00 – 9:15 a.m.	Introduction
9:15 – 9:45 a.m.	LTC Diversion Landscape
9:45 – 10:00 a.m.	Pathway Structure & Utilization
10:00 – 10:15 a.m.	Break
10:15 – 11:00 a.m.	Pathway Elements and toolkit
11:00 – 11:10 a.m.	Panel Discussion preparation
11:10 – 11:40 a.m.	Panel Introductions and Perspectives
11:40 – 12:15 p.m.	Panel Discussion
12:15 – 12:30 p.m.	Wrap-up, next steps, and evaluation
