1:55	BREAK	
2:00	Our Dawn is Breaking: 7 Things We Should Be Excited About For aging services leaders, the last few years have been rough. We've had to watch our organizations, our teams, and our residents go through a proverbial earthquake and we're still dealing with the aftershocks. But a new era is dawning for aging care and services, and there are some things to be very excited about. This session will take a glimpse at what lies ahead for aging services organizations, the big changes that are coming, and where we should play a leading role in shaping that future.	Andy Edeburn Founder & Managing Partner Elder Dynamics
2:45	Breakouts:	
	 Care Centers: CMS Uncovered: Decoding the Latest Long-Term Care Guidelines Identify the revisions to CMS long-term care surveyor guidance. Examine the significant updates regarding admission agreement prohibitions, chemical restraints and psychotropic medications, assessments, and professional standards of practice. 	Kari Everson, VP Clinical Services, LeadingAge MN
	Assisted Living: Transition & Termination Processes in AL	Ryan Usher, Attorney, Rode & Coffin LLC
	 Access data on turnover rates and facility-initiated terminations for MN Assisted Living Facilities. Understand the termination requirements detailed in statute 144G and challenges encountered in the process. 	Bobbie Guidry, VP, AL, Housing & ADS; Jeff Bostic, Director of Data & Financial Policy, LeadingAge MN
3:30	ADJOURN
