

NEW this year!

The Disaster Experience.

A customized, interactive mock-disaster tabletop exercise. Bill Buth, president of The Greater St. Paul Area Building Owners & Managers Association (BOMA), enthusiastically describes Attainium Corp's The Disaster Experience as "one of the best seminars I've seen in 30 years".

36th Annual Minnesota Health Care Engineers Seminar
 September 14, 15, and 16, 2011
 Grand Casino in Hinckley, Minnesota

This seminar will provide a forum to update and improve technical and management skills, assist in understanding the latest code requirements and technology advancements. Highlights include:

Education...a full day of educational opportunities on issues affecting all healthcare facilities including regulatory compliance, maintenance and safety.

Vendor Show...Visit with sales and manufacturers reps from some of the industries leading companies to learn what new products and services are available to your facility. Chances to win many wonderful prizes as well.

Networking Opportunities...whether you are new to healthcare or experienced, this annual event provides opportunities to discuss the multitude of challenges that confront us everyday.
